Here's What Adopt-A-Park is all about.

Adopt-A-Park is a volunteer public service program that encourages Edina organizations and individuals to contribute toward maintaining the high quality of Edina's parks by keeping them litter-free and identifying safety hazards. By participating, you contribute to a cleaner environment in your neighborhood and allow the City to conserve and redirect resources.

Litter is a key issue in Edina's parks. If left uncollected, litter can destroy the natural aesthetics of any community, no matter how beautiful its parks. Litter collection is extremely expensive and time consuming and diverts park maintenance crews from other important projects.

We ask for a two-year commitment during which you or your group would pick up your adopted park at least twice a year, preferably once in April or May and again in July or August. We also encourage a fall sweep.

You can make a real difference in Edina's parks. Participate as an individual, a family or as a group member from your church or synagogue, community service organization, neighborhood association or any other affiliation.

Here's what we ask of you.

- That you or your group will sign an agreement form that specifies a minimum commitment of two years.
- That you or your group agree to pick up your park a minimum of two times per year, preferably once in the spring, once in the summer and again in the fall.
- That you arrange with the Edina Park Maintenance Department to collect litter at least 48 hours in advance.
- That you collect aluminum cans in separate bags for recycling.
- That you place filled trash bags at an agreed upon location within the park.
- That you promptly inform the Park Maintenance Department of any safety hazards you observe in your designated park.

Here's what the City will do.

- The City of Edina will provide, at the group's designated park, a personalized **Adopt-A-Park** sign identifying the approved volunteer group or individual during the period of commitment. Signs will be similar to standard Edina park signs.
- The City of Edina will provide an **Adopt-A-Park** agreement to be signed by participating groups or individuals.
- The City of Edina will provide Certificates of Appreciation to volunteer groups or individuals.
- The Edina Park Maintenance Department will provide all necessary plastic bags, brooms, shovels and access to park shelter buildings.
- The Edina Park Maintenance Department will pick up and properly dispose of filled bags of litter and aluminum cans.
- The City of Edina will encourage local newspaper coverage of the group's efforts.

Yes!

I'd like to Adopt an Edina Park.
